

Warren Wood Primary School

Access Plan 2022/2023

Overview

Under the provisions of the Equality Act 2010, Warren Wood Primary School recognises the need to provide adequate resources for implementing an accessibility plan and we will ensure that the plan reflects our SEND and Inclusion Policy. In line with this, we will take the necessary steps to ensure that every young person, their families and our employees are given equality of opportunity to develop socially, work, participate and learn.

Objectives

1. Increase the extent to which SEND pupils can participate in the curriculum through training and staff development.
2. Improve the physical environment of school to enable SEND pupils to make the best use of our facilities and the opportunities available.
3. To put measures into place to ensure that disabled members of our community can access information sent out by and pertaining to the school.

Strategy

1. The school will identify the nature of the school population including pupils already in school and moving through it.
2. The school will audit of the school's strengths and weaknesses in working with disabled pupils to include, the level of staff awareness of equalities legislation and areas of the curriculum to which disabled pupils might have limited or no access.
3. The school will review the opportunities for the participation of disabled pupils in after school clubs and school visits.
4. The school will review the building and identify parts of the school to which disabled pupils have no or limited access.
5. The school will audit and consider the impact of current policies and procedures on members of the school community who may have various disabilities.
6. The school will engage with members of the school community who have a disability and with the LA to ensure that people with a disability have a voice and practices take into account their views and aspirations.

7. The school will report back to key stakeholders without breaching confidentiality.

This plan will be specific to our school environment and addresses the three areas of improving access to all: the physical environment; education, benefits, facilities and services; information.

Adopted by the Governing Body of Warren Wood Primary School
