

Warren Wood Primary School

Coming up next week...

...we have lots more festivities planned – our school Christmas Dinner Day is always such a lovely day. Our kitchen staff always do us proud and often cater for nearly 400 of us. No mean feat! I personally look forward to getting extra sprouts and, as not many people like them, I get lots to myself! In fact, if you look closely on our school Christmas tree in the hall, you will see an individual sprout decoration hung in testament to my obsession!

In the lower juniors, the children are very excited to be singing at St George's church and St Mary's in the Market place next week. These events have been so sorely missed over the past few years and we are delighted to get back into the spirit of Christmas with these events. If your child is attending either event, you will be in for a treat! Enjoy every second!

We are also busy practicing our nativities across the whole of the infants. Whilst the weeks leading up to Christmas are exhausting and relentless in terms of what needs to be done in a short space of time, the rewards are worth every second. We can't wait to share it with you all!

Newsletter – December 2nd 2022

This Week ...

...saw the return of our school Christmas Fair. Whilst we are still adding up how much was raised, I have to tell you we were blown away by the response. To have you all back in the building, enjoying the event and having fun together was such a lovely feeling. In spending money on our stalls or games, you have contributed to raising valuable funds that will help to buy our children extra equipment and experiences throughout the year. Thank you so much for your generosity. We will let you know the amount raised as soon as we can!

A Message from the Headteacher

Thank you very much ...

Dear Parents and Carers

This week, I want to take a moment to write this part of the newsletter in a different way.

I want to say a huge thank you to several people and groups of people. Firstly, the PTA, many of whom are new members since the pandemic, have been nothing other than brilliant this term. They have taken on ideas from previous events but given things their own twist and made successes of everything they have done. This hasn't just happened overnight – the hard work that has gone into things behind the scenes has been inspiring and they have collectively made it look effortless. People have contributed the time and skills as much as they could. This has either been behind the scenes and preparing things at home, working on a stall on the day or organising and the event itself on spreadsheets. It has been a joy to see this all coming together and know that this will have such impact in purchasing things to support your child's wider enrichment at school. Thank you to each and every one of them. The staff and I appreciate you taking time out of your busy lives to help us!

On a similar note, a huge shout out must go to Mr. Cooke. He is our larger than life sports coach who delivers the majority of our P.E. curriculum throughout the school. However, he is so much more than that to all of us. He regularly answers the phone and covers the office if one of us is required elsewhere, he supports staff and pupils in restorative approaches and most importantly of all, he champions the success of all pupils in all sports. He devotes so much of his own time to ensuring we have teams of pupils who can compete at the best level, he offers opportunities to pupils who have additional needs and ensures that everyone, over time, has access to sport in school, in extra-curricular activities and at events within the authority and beyond.

We would be lost without him and truly appreciate all that he does and want to say a massive thank you to someone who goes the extra mile for our wonderful school.

– We just wish he would sometimes slow down a little because we can't keep up with him!

Have a great week everyone!

Mrs Reyes

This week, Boo ...

...is visiting...

Year 2 – Mrs Prior and Mrs Belsten

Year 5 – Mrs Eastham

Boo is excited to spend time in both of these classes and see how much new learning takes place this week.

His message though is **'Miss school, Miss out'** – we love having you here and so does Boo!
