

# Warren Wood Primary School

## Please remember...

Please can we ask that if you are running late to collect your child or, if you have a message to pass to them before they return home, that you inform the office BEFORE 3pm each day. We are currently experiencing lots of calls to the office between 3:10 and 3:15 and it is sometimes impossible to get to the class or child concerned before the bell has gone. In the event of an emergency, we understand that this can sometimes be unavoidable but for messages about who is collecting them, where to meet them or a change to a plan, if you know about this prior to 3pm, please do call earlier if you can. This will ensure that we can efficiently and effectively get the right message to the right child.

Newsletter - March 17<sup>th</sup> 2023

## Reminder for everyone...

I am always happy to see children riding their scooters and bikes to school and we are planning some activity days around this later in the school year. However, can I please remind you to ask your children not to ride them on school premises at the start or end of the day.

We have had so many near misses on the playground and path that I am constantly reminding children to walk up the path with their scooter or bike alongside them.

I don't want to sound like a grouch, but we have to keep one another safe.

Many thanks for your cooperation

## A Message from the Headteacher

### Keep Dancing...

Dear Parents and Carers

Suddenly it is Friday once more and another packed week has flown by – Spring Term is the shortest school term but we still have to try and squeeze in all the usual things nonetheless.

In Nursery, the children have ended the week with a Pink Day. This is to celebrate all the things and people they love. They have decorated biscuits and worked with a splash of colour in all that they have done. What a lovely way to end the week!

In Reception, children have been looking for signs of spring and thinking about the life cycle of a frog. Ask them to tell you how a frog becomes a frog and the stages before they change!

In Year 1, pupils have been creating their own number sentences as part of the 'chilli challenge'. I have told them you will ask them to describe their number sentences so see what they can explain to you!

Year 2 pupils have been busy researching rich and poor Victorians in both their expert groups and jigsaw groups. Ask your child what sort of things they discovered!

Year 2 also took the chance to watch out for Mrs Byers on the tv on Wednesday as part of a charity tap dance for Red Nose Day. (See picture above)

In Year 3, children have been making Canopic jars with clay heads and have been writing recounts about their Egyptian visitor.

In Year 4, children have ended the week with their British Science week taste testing. Ask to see your child's tongue tonight and see if it is blue. If it is, ask them why!

In Year 5, children have been investigating the effects of global warming using Norwegian Ice Trolls! Honestly – they have visited school this week – ask your child to tell you all about it!

Year 6 children have been looking at Viking artefacts and composing their own movie music. Some budding John Williams composer types are in our midst!

Everything seems to fly by so fast at the moment and sometimes we may not reply to your emails or call you back instantly – but we promise this is only ever because of the volume of things to do in a day for the good of the children.

They are our priority and once we have dealt with their issues, we will always keep you up to date with responses to queries or concerns. It is not our intention to keep you waiting – we promise.

Thank you so much for your patience. Have a lovely weekend

Mrs Reyes xx

### Boo is visiting...

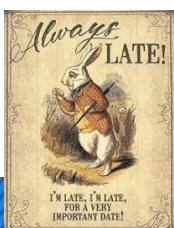

13/03/23

**Reception- ED – Miss Edwards  
Year 6 – Miss Cope's class**

This week, Boo went to stay with Miss Edwards class in Reception and Miss Cope's class in Y6.

Boo will visit more classes after the holiday – I can't wait to see who!

His message though is **'Miss school, Miss out'** – we love having you here and so does Boo!

### Upcoming Diary Dates

**Monday 20<sup>th</sup> March** – Mental Health Assemblies – KS1/KS2

**Friday 24<sup>th</sup> March** – Tyre Park – Will be taped off in preparation for remedial work to take place – Please do not allow your children on the tyre park at all

**Thursday/Friday 30<sup>th</sup>/31<sup>st</sup> March** – Afternoon Tea event – PTA run – Letter and info already sent out

**Friday 31<sup>st</sup> March** – 'Celebrate Sara' Day - Separate letter to be sent out

**Further detailed information will be sent via School Ping/Tapestry nearer to the time of each event.**
