## This week...

Miss Edwards organised for a Crazy Golf course to be brought to school where all of the classes had a chance to play. Everyone loved this, including nursery who then designed and made their very own indoor version of this too!

## Next week...

On Friday next week, it is time for the children to let their hair down...or put it up...or colour it...or fill it full of glitter as we have a crazy hair day. There is no real reason for the day other than to say a fond farewell to a crazy term with a crazy hair day. No donation. No requirement to take part if it isn't your thing. Just a day to express yourself before we all have a well-earned break! We look forward to seeing your crazy creations!

Working with our local community group – Friends of Bosden Farm – we are always looking at ways in which we could support them and local initiatives. Some of our ex Woodies, along with some current Woodies, are involved in this. This is directly aimed at pupils from years 5, 6, 7, 8 and 9 who can contribute to their local area in a positive way. If your child is interested, please email them on [BosdenFarmCG@gmail.com](mailto:BosdenFarmCG@gmail.com) for further information or to register support.

## A Message from the Headteacher

### Busy, buzzy Woodies....

Dear Parents and Carers,

Another busy week for our Woodies family. I think it is fair to say, it has been a hive of industry...

Our Nursery children are enjoying a bee theme this week. They have been making their own bee art work, exploring hexagon shapes in Maths and tasting honey. Today there are lots of buzzy bees around nursery, all dressed up and having fun!

Reception caterpillars have made their chrysalises now which is very exciting as the children watch for their next changes. Children have also been practising their subtraction and odds and evens.

Year 1 children went on their school trip to Tatton Park. A great time was had by all – a photo from this trip is at the top of the page – They have also written recounts about their trip.

Year 2 pupils finished their SAT's tests this week. Well done everyone on all of your hard work. They have also been writing stories!

Year 3 pupils have been gathering information about the exciting birds and animals that live in the rainforest.

Year 4 pupils have been looking at changing states of solids, liquids and gases. They melted chocolate using different temperature water and looked at the variables of the different types of chocolate – white, milk and dark – to see if that made a difference. Ask your child what they found out!

Year 5 children have been writing their own stories based on the Gruffalo for their Reading Partners from Year 1. I can't wait to hear some of them!

Year 6 pupils have enjoyed a wonderful week writing limericks and haikus. They were treated to a visit from John Lewis too where they worked on making their own mood boards. Some pictures of this work are below.

Some of the Year 6 boys have also visited Manchester City training complex too!

As we look forward to our last week before half term, can I wish everyone a restful weekend. Make sure you all recharge ready for the final furlong before the Whit holiday!

Mrs Reyes xx

#### Boo the Badger

**This week, Boo has gone to stay in classes again. He is visiting:**

**Year 2 – Mrs. Byers**

**And**

**Year 6 – Mr. Toye**

Boo's message is  
**'Miss school, Miss out' –**  
We love having you here  
and so does Boo!
