

Warren Wood Primary School

We need your help!

Mrs. Prior is asking for your help. We are looking to move the shed with all of the forest schools equipment nearer to the forest area of school. Due to the grounds at school being so waterlogged or boggy for the majority of the year, we need to ensure this is placed on a firm base. If anyone has any spare rectangular flag stones or is having any paving replaced at home, could we please ask that you consider donating spare flags to school. This only needs to be enough for a shed to be placed upon and maybe 6 or 8 flags would be enough. If you feel able to help with this request or the request to help with painting benches, please could you email the school office at admin@warrenwood.stockport.sch.uk and let us know what you are able to do to help. We promise to supply you with free brews and biscuits and a deep sense of satisfaction that you have helped our children to have lovely outdoor learning experiences. Thank you.

Newsletter – February 23rd 2024

Coming soon...

As the weather begins to (hopefully) improve, we are looking to enhance our outdoor areas. Our P.T.A have bought new benches for the Y5 and 6 outdoor area and previously bought some for use elsewhere around school. These are now situated around the Year 3 and 4 entrances and are in desperate need of painting.

If anyone has any spare brown or green wood stain and would be able to spare some time either during the week or at a weekend, please let the school office know.

A Message from the Headteacher

Spring has Sprung!

Dear Parents and Carers,

Our first week back has flown by as we begin the second half of Spring term. It is always my favourite time in the school year because we get to see the children grow so much – academically and physically! In fact, some people have come back to school with much longer legs than they finished last half term with!

In classes, Nursery children have been looking at the book 'Dear Zoo'. The children have been performing actions of the adjectives describing the animals, making animal faces with natural loose parts, weighing different animals, making their own lift the flap books and using animal patterns in their paintings. Some beautiful nursery art work is at the top of this page.

Reception pupils have been learning about measure in maths and have enjoyed measuring objects in the classroom. Children have also been writing stories using tales toolkit about nursery rhyme characters. Children have also been doing some wonderful gymnastics balances in P.E.

Year 1 children have been looking at historical artefacts trying to work out what the item is. In Maths, children have been looking at number bonds to 20. In English, they have created their own stories based on a picture.

Year 2 pupils have enjoyed performance poetry based on the Brian Moses poem 'Walking with my Iguana'. They have also been learning facts about iguanas ready for English next week.

Year 3 children have started writing their own Egyptian Cinderella stories. They have begun to create Egyptian dances in P.E and have been looking at floods in Geography – and conveniently we have some large puddles around the year 3 classrooms that help us with that very topic! Children have also completed their work on length and perimeter in Maths too.

Year 4 pupils have been practicing their front crawl in swimming. In English, children have been working hard on writing non-chronological reports on animals.

Year 5 children have been learning about budgeting, pollution and drawing techniques. In English, pupils have looked at writing a persuasive letter to the prime minister about plastic pollution.

Year 6 pupils have been thinking about inherited characteristics in science and finding the hidden meanings in allegories in English, in history we have started to find out about what happened in the village of Eyam.

This week has been a wet one so let's hope that next week we see a little more sunshine to dry up all the rain! Have a lovely weekend.

Mrs. Reyes xx

Boo the Badger

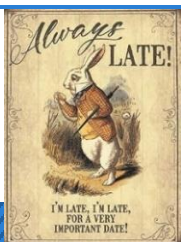

Each Monday in assembly, our school mascot, 'Boo the Badger' visits two classes in school – one infant and one junior and stays for the week in their classrooms.

He is presented for good attendance, good behaviour and good attitudes to learning.

This week, Boo hasn't visited anyone as we had an INSET day on Monday for staff training purposes. I wonder where he may visit next Monday...watch this space!

His message is 'Miss school, Miss out' – We love having you here and so does Boo!

Upcoming Diary Dates

Week commencing 26th February – Parents Evening Meetings – Monday/Tuesday/Wednesday/Thursday

Tuesday 5th March – PTA Spring Disco

Wednesday 6th March – PTA – Quiet Spring Disco

Thursday 7th March – World Book Day (separate letter and information to be sent out)

Wednesday 13th March – Y4 trip to Eureka (separate letter to be sent out)

Wednesday 13th March – Y6 trip to Eyam (separate letter to be sent out)
