

Understanding Sensory Processing

This training will;

- * Introduce you to the 7 sensory systems
- * Explain their importance in children's development
- * Provide ideas and strategies to try at home and school

How to access:

- 1) Type 'Stockport SEND Local Offer' into your web browser and click on the page at the top of the list
- 2) Click the purple 'Get Involved' icon.
- 3) Click the 'Online Training' icon.
- 4) Click the 'Understanding Sensory Processing' icon.
- 5) Press the play icon on the video.
